

## SCRS Testimonials

Here is just a small sample of the fantastic feedback that SCRS has received recently.

SCRS has made a positive impact to our small marketing consultancy. They have organised all our HR requirements and put together our company staff handbook. Jeni has also assisted with putting together staff contracts, employment procedures, advised on holiday entitlement and much more. She has been nothing less than professional in all her work with us and we now consider her to be our valuable &quot;HR Department&quot;. On a daily and weekly basis, I do not hesitate to contact her as and when we need her assistance. I am impressed by her wealth of knowledge and experience and do not hesitate in recommending SCRS to other companies.

Jill Craig, Managing Director.
